

NCBJ 2024 Annual Meeting Report: New Membership Subcommittee

The New Membership Subcommittee has updated the New Judges' Guide to the Annual Conference. At the Annual Meeting, we will introduce the new members during the Board of Governors Meeting. As of the date of this report (May 17, 2024), we have had only two new bankruptcy judges appointed this year. Depending on interest, we may again offer a pre-Annual Meeting Zoom session for new judges. We have also been doing direct outreach to welcome new judges and answer any questions they have.
